Singing Wires Llewellyn Perry Holmes, 2011      **Singing Wires** L. P. Holmes, 2015-05-26 When word of the Pony Express being formed reached Clay Roswell in Texas he decided to get a job as a rider He was told his best chance for employment was along the desert stretch in Nevada Territory so that was where he headed Along the trail he met two brothers Jess and Hoke Pickard and agreed to team up with them at least as far as Salt Lake They made camp one night in Weber Ca on east of Salt Lake but as Roswell lay in his blankets the Pickards tried to club him to death They stole his money and his horses and left him for dead It took Roswell a long time to make it to Fort Churchill in Nevada Territory and when he finally did the Pony Express was shutting down and the only jobs available were with crews hired to string telegraph wire across the desert And it was there in Fort Churchill that Roswell saw the Pickard brothers again applying for work with the superintendent of the telegraph company Roswell s brawl with the brothers then and there made for an unlikely introduction to superintendent Jack Casement but he liked what he saw in Roswell and offered him the job as wagon boss for the outfit But the fight with the Pickards was not over and conflict with Indians as well as an organized gang of hijackers would only add to the challenges now facing Roswell a simple man looking for an honest wage Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Gray and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home      Singing Wires L P Holmes, 2023-08 When word of the Pony Express being formed reached Clay Roswell in Texas he decided to get a job as a rider He was told his best chance for such a job was along the desert stretch in Nevada Territory so that was where he headed Along the trail he met two brothers Jess and Hoke Pickard and agreed to team up with them at least as far as Salt Lake They made camp one night in Weber Ca on east of Salt Lake but as Roswell lay in his blankets the Pickards tried to club him to death They stole his money and his horses and left him for dead      **Star Western** Jon Tuska, 1995 22 classic western stories from the popular Star Western magazine written from October 1933 to September 1954      *WIRE RIDER* Truman Rock, 2014-02 New Mexico late 1800 s Along came Wire Ryder taking place in the New Mexico territory at the time of Geronimo s surrender 1886 Wire is a western in the sense that it takes place in the west and it involves a ranch forman at a time when Cow Boying was ending trail herding was giving way to railroad stock cars and stock yards opening in New York and Chicago Wire is a classic tale of how a person is caught up in changing times and is capable of transitioning his vocational skills into a different way of life A treasure hunt makes use of all the hero s skills gained as a cowboy Even the eternal event of meeting the love of ones life depends upon life s events so that one recognizes that love This is such a story that has occurred often in the west and most assuredly will occur even as the years march on
