Our Dramatic Heritage Philip G. Hill,1983 A multi volume series that surveys European drama from ancient Greece to the mid twentieth century Illustrated Sporting & Dramatic News ,1912 **Plays from Contemporary Hungary: 'Difficult Women' and Resistant Dramatic Voices** Krisztina Tóth,Janos Hay,György Spiró,2024-01-25 A unique collection of five contemporary plays from 21st century Hungary translated into English for the first time Written by some of Hungary s most highly prolific and commercially successful dramatic voices these plays are being produced in their native Hungary by theatres that do not adhere to Viktor Orb n s values and offer a counterpoint to the commercial Boulevard Theatre scene of Budapest Translator and theatre maker Szilvi Naray champions these unheard voices through her performable and dramatically engaging translations The plays are aimed at micro budget productions and offer a special opportunity for students and small theatre companies alike to engage with these witty politically irreverent plays finally in English Each of the selected playwrights has been in direct conflict with the Hungarian government and has been demonised by the state controlled press The five plays are thematically threaded together by their common use of strong leading female protagonists with an overarching theme of the family unit Through the edited introduction the themes and feminine translation strategy discusses how the plays offer a microcosmic lens for understanding the paradox that today s Hungary exemplifies making this a necessary study into the world of contemporary Hungary through drama Single Mothers are for Grown Men, ONLY! Derrick Jaxn,2017-09-07 Our understanding of single mothers is broken Not like The x ray came back

and you may need a cast broken but It s time to evacuate The levy has been demolished broken Mentally our streets are flooded with ignorance yet we simply paddle along as if this is the way things are going to be All things common sense seem to be immersed under the murky waters of She should ve known better She should ve been married first and It s her fault he ran out She s the one who chose him It s bizarre that in a world where cars can drive themselves and phones can recognize thumb prints we re still committed to such ignorance but that s about to change For the last few years I ve posted articles memes poems and even viral videos with tens of millions of views on this subject but like sandbags to an ocean they ve gotten swallowed whole without us as a society moving forward one inch So I ve decided to take things up a notch with Single Mothers are for Grown Men ONLY and drain the preconceived notions biases and stereotypes once and for all particularly as they pertain to dating and relationships This is not some pity ridden manual about how single moms should feel sorry for themselves They have nothing to feel sorry about In fact they should be feeling the exact opposite if despite what they have to put up with they re still able to hold their heads up and put one foot in front of the other This is 130 pages of facts analogies and practical examples of how single mothers have been framed for moral crimes they ve never committed and underappreciated for the should be obvious positive qualities they possess It s time for a perspective adjustment If you agree then you ve found the right book If you don t then challenge me to change your mind and yes I accept

The Naked Mom Brooke Burke,2011-02-01 Brooke Burke knows all too well that when raising four children running a household tending a relationship building a multimillion dollar business and pursuing a television career there s no room for pretense or posturing Rejecting the idea that there s some simple step by step path to the Perfect Body the Perfect Relationship or the Perfect Career she reveals the truths about motherhood with the sincerity that today s smart sexy and soulful moms need Brooke lets readers know what really goes on behind the scenes of her surprisingly ordinary life as a celebrity mom and how she manages to make it all work on a good day From tips on caring for themselves to her own stories about the missteps she s made as a mother to advice on how to handle the tough emotional challenges moms face Brooke paints an honest picture of motherhood that all women can relate to insisting that it s not about being right or wrong it s about being their authentic naked selves

The Drama ,1923 **Mom Walks: Getting Crushed** Rebecca Prenevost,2021-02-16 Parenting kids through fifth grade crushes should be pretty simple right A mom and her two best friends are about to find out Dawn feels very lucky Her daughter Kayli is a solid student has good friends and is a leader on the basketball court So when a supposedly innocent crush starts chipping away at Kayli s self esteem Dawn struggles with what to do Although her mom friends encourage her to intervene Dawn hesitates She s inserted herself into Kayli s social dynamics in the past and it s jeopardized their close mother daughter relationship But when she tries letting Kayli handle the precarious relationship on her own the problems worsen and Kayli s confidence plummets As Dawn s heart breaks watching her daughter shrink into a meeker version of her former self a memory from her own past resurfaces Dawn finally realizes she must reclaim her own

voice in order to prevent Kayli from losing hers *Sex, Mom, and God* Frank Schaeffer, 2011-05-31 A penetrating analysis of political extremism with a moving and at times hilarious account of growing up in one of the Christian right's most influential families. Few writers command Frank Schaeffer's intimate understanding of right-wing radicalism and even fewer are able to share their insight as entertainingly and with as much moral weight as he has in *Sex Mom and God*. Max Blumenthal, author of *Republican Gomorrah*. Mom was a much nicer person than her God. There are many biblical regulations about everything from beard trimming to menstruating. Mom worked diligently to recast her personal hygiene-obsessed God in the best light. Alternating between laugh-out-loud scenes from his childhood and acidic ruminations on the present state of an America he and his famous fundamentalist parents helped create, bestselling author Frank Schaeffer asks what the Glenn Becks and the Rush Limbaughs and the paranoid fantasies of the right-wing echo chamber are really all about. Here's a hint: sex. The unforgettable central character in *Sex Mom and God* is the author's far from prudish evangelical mother Edith, who sweetly but bizarrely provides startling juxtapositions of the religious and the sensual throughout Schaeffer's childhood. She was, says Frank Schaeffer, the greatest illustration of the Divine beauty of Paradox I've encountered: a fundamentalist living a double life as a lover of beauty who broke all her own judgmental rules in favor of creativity. Charlotte Gordon, the award-winning author of *Mistress Bradstreet*, calls *Sex Mom and God* a tour de force. Sarah Palin, The Family, Anne Hutchinson, adultery, abortion, homophobia, Uganda, Ronald Reagan, B.B. King, Billy Graham, Hugh Hefner: it's all here. This is the kind of book I did not want to end. *Take Care of Them Like My Own* Ala Stanford, 2025-08-19 The founder of the Black Doctors Consortium highlights the devastating racial injustices in our healthcare system in this inspirational memoir and empowering call to action.

[Little Light Episode One](#) R. Schick, 2015-01-15 On what promises to be a wonderful holiday evening for Bryan and his family, a killer is set free and the unthinkable occurs. Little Meagan is abducted in the middle of the night. A horrific event from Bryan's past may unlock the secret to rescuing his daughter's life while hopefully saving his own. Bryan's daughter is abducted in the middle of the night by a released killer who is seeking revenge. It was Bryan who had sent him to prison all those years ago. As the slow wheels of justice have stalled, Bryan has taken it upon himself to rescue her. Big Mistake. Forced to make sacrifices along the way, how far will Bryan be willing to go to get his child back and at what cost? Facing certain death at the hands of the killer kidnapper and persecution by the law, Bryan writes this testimony. *Little Light Episode One* is both a coming-of-age story and a gripping thriller that launches an entire series revolving around a horrific secret from Bryan's past. Follow along as Bryan recalls the series of events that will be his voice to prove his innocence from beyond the grave.

Women vs. Women Joan Johnson-Freese, 2022-04-21 *Women vs Women* is a book about power dynamics and competition between women. The author argues that women have been mired in competitive quicksand since the beginning of time, often beginning in earnest during adolescence to their social, economic, and political detriment. Exacerbating differences between women has become a strategy for maintaining male-dominated power structures, so while competition will always

exist and can at times be useful self inflicted and counterproductively imposed competition between women must end as it dilutes their power and opportunities From a security perspective gender inequality is a destabilizing societal force This book represents a confluence of ideas First the ill effects of gender inequality from the individual to the national and global level and the fact that this is far from being universally recognized and addressed Second the negative influence of extremes especially political and religious on society at large and women in particular Third the societal stresses imposed on girls and the subsequent lifetime effects While the challenges of careers motherhood and old age are all significant for women the author contends that how they handle these challenges can be shaped by adolescent experiences As a multidisciplinary work this book is intended as a supplementary text in undergraduate and graduate courses on American politics American foreign policy gender and diversity studies global studies sociology security studies culture focused courses economics and religion It will also interest general audiences increasingly eager to understand the dynamics of the world they live in Adventures of
