TAMIL TIGRESS NIROMI DE SOYZA, 2011-01-01 A story of a child soldier in Sri Lanka's bloody civil war Two days before Christmas in 1987 at the age of 17 Niromi de Soyza found herself in an ambush as part of a small platoon of militant Tamil Tigers fighting government forces in the bloody civil war that was to engulf Sri Lanka for decades With her was her lifelong friend Ajanthi also aged 17 Leaving behind them their shocked middle class families the teenagers had become part of the Tamil Tigers first female contingent Equipped with little more than a rifle and a cyanide capsule Niromi's group managed to survive on their wits in the jungle facing not only the perils of war but starvation illness and growing internal tensions among the militant Tigers And then events erupted in ways that she could no longer bear How was it that this well educated mixed race middle class girl from a respectable family came to be fighting with the Tamil Tigers Anita Moorjani, 2022-03-08 THE NEW YORK TIMES BESTSELLER I had the choice to come back or not I chose to return when I realized that heaven is a state not a place In this truly inspirational memoir Anita Moorjani relates how after fighting cancer for almost four years her body began shutting down overwhelmed by the malignant cells spreading throughout her system As her organs failed she entered into an extraordinary near death experience where she realized her inherent worth and the actual cause of her disease Upon regaining consciousness Anita found that her condition had improved so rapidly that she was released from the hospital within weeks without a trace of cancer in her body Within this enhanced e book Anita recounts in words and on video stories of her childhood in Hong Kong her challenge to establish her career and find true love as well as how she eventually ended up in that hospital bed where she defied all medical knowledge In Dying to Be Me Anita Freely shares all she has learned about illness healing fear being love and the true magnificence of each and every human being The Allegory of the Cave Plato, 2021-01-08 The Allegory of the Cave or Plato's Cave was presented by the Greek philosopher Plato in his work Republic 514a 520a to compare the effect of education and the lack of it on our nature It is written as a dialogue between Plato's brother Glaucon and his mentor Socrates narrated by the latter The allegory is presented after the analogy of the sun 508b 509c and the analogy of the divided line 509d 511e All three are characterized in relation to dialectic at the end of Books VII and VIII 531d 534e Plato has Socrates describe a group of people who have lived chained to the wall of a cave all of their lives facing a blank wall The people watch shadows projected on the wall from objects passing in front of a fire behind them and give names to these shadows The shadows are the prisoners reality The Musical Gift Jim Sykes, 2018-08-31 The Musical Gift tells Sri Lanka's music history as a story of giving between humans and nonhumans and between populations defined by difference Author Jim Sykes argues that in the recent past the genres we recognize today as Sri Lanka's esteemed traditional musics were not originally about ethnic or religious identity but were gifts to gods and people intended to foster protection and or healing Noting that the currently assumed link between music and identity helped produce the narratives of ethnic difference that drove Sri Lanka's civil war 1983 2009 Sykes argues that

the promotion of connected music histories has a role to play in post war reconciliation. The Musical Gift includes a study of how NGOs used music to promote reconciliation in Sri Lanka and it contains a theorization of the relations between musical gifts and commodities Eschewing a binary between the gift and identity Sykes claims the world's music history is largely a story of entanglement between both paradigms Drawing on fieldwork conducted widely across Sri Lanka over a span of eleven years including the first study of Sinhala Buddhist drumming in English and the first ethnography of music making in the former warzones of the north and east this book brings anthropology s canonic literature on the gift into music studies while drawing on anthropology s recent ontological turn and the new materialism in religious studies Pradeep Mathew Shehan Karunatilaka, 2012-05-08 Winner of the Commonwealth Book Prize Winner of the 50 000 DSC Prize for South Asian Literature A Publishers Weekly First Fiction Pick for Spring 2012 A crazy ambidextrous delight A drunk and totally unreliable narrator runs alongside the reader insisting him or her into the great fictional possibilities of cricket Michael Ondaatje Aging sportswriter W G Karunasena s liver is shot Years of drinking have seen to that As his health fades he embarks with his friend Ari on a madcap search for legendary cricket bowler Pradeep Mathew En route they discover a mysterious six fingered coach a Tamil Tiger warlord and startling truths about their beloved sport and country A prizewinner in Sri Lanka and a sensation in India and Britain The Legend of Pradeep Mathew by Shehan Karunatilaka is a nimble and original debut that blends cricket and the history of modern Sri Lanka into a vivid and comedic swirl Sophie's World Jostein Gaarder, 1994 The protagonists are Sophie Amundsen a 14 year old girl and Alberto Knox her philosophy teacher The novel chronicles their metaphysical relationship as they study Western philosophy from its beginnings to the present A bestseller in Norway Pluricentric Languages Michael Clyne, 2012-05-24 CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students researchers and practitioners in all of the social and language related sciences carefully selected book length publications dealing with sociolinguistic theory methods findings and applications It approaches the study of language in society in its broadest sense as a truly international and interdisciplinary field in which various approaches theoretical and empirical supplement and complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the sociology of language Pluricentric Languages Michael G. First and Second World Wars and the Cold War all of which were wars between major world powers Given the dominance of today s more indeterminate asymmetrical less decisive wars we ask if choreography as an organizing structure and knowledge system might not also need revision in order to reflect on and intercede in a globalized world of continuous warfare In an introduction and sixteen chapters authors from a number of disciplines investigate how choreography and war in this century impinge on each other Choreographers write of how they have related to contemporary war in specific works while other contributors investigate the interconnections between war and choreography through theatrical works dances military rituals and drills the choreography of video war games and television shows Issues investigated include torture and terror the status of war refugees concerns surrounding fighting and peacekeeping soldiers national identity tied to military training and more The anthology is of interest to scholars in dance performance theater and cultural studies as well as the social sciences **Journey of the Universe** Brian Thomas Swimme, Mary Evelyn Tucker, 2011-06-28 The authors tell the epic story of the universe from an inspired new perspective weaving the findings of modern science together with enduring wisdom found in the humanistic traditions of the West China India and indigenous peoples This book is part of a larger project that includes a documentary film educational DVD series and Web site We Should All Be Feminists Chimamanda Ngozi Adichie, 2015-02-03 NEW YORK TIMES BESTSELLER The highly acclaimed provocative essay on feminism and sexual politics from the award winning author of Americanah A call to action for all people in the world to undo the gender hierarchy Medium In this personal eloquently argued essay adapted from the much admired TEDx talk of the same name Chimamanda Ngozi Adichie offers readers a unique definition of feminism for the twenty first century Drawing extensively on her own experiences and her deep understanding of the often masked realities of sexual politics here is one remarkable author's exploration of what it means to be a woman now and an of the moment rallying cry for why we should all be feminists Wave Sonali Deraniyagala, 2013-03-05 A brave intimate beautifully crafted memoir by a survivor of the tsunami that struck the Sri Lankan coast in 2004 and took her entire family On December 26 Boxing Day Sonali Deraniyagala her English husband her parents her two young sons and a close friend were ending Christmas vacation at the seaside resort of Yala on the south coast of Sri Lanka when a wave suddenly overtook them She was only to learn later that this was a tsunami that devastated coastlines through Southeast Asia When the water began to encroach closer to their hotel they began to run but in an instant water engulfed them Sonali was separated from her family and all was lost Sonali Deraniyagala has written an extraordinarily honest utterly engrossing account of the surreal tragedy of a devastating event that all at once ended her life as she knew it and her journey since in search of understanding and redemption It is also a remarkable portrait of a young family s life and what came before with all the small moments and larger dreams that suddenly and irrevocably ended Still Counting the Dead Frances Harrison, 2012-09-20 An extraordinary book This dignified just and unbearable account of the dark heart of Sri Lanka needs to be read by everyone Roma Tearne author of Mosquito The
