When Christy's seventeenth birthday arrives later in the summer, just what will she be wishing for? Story Behind the Book: The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, "Why don't you write a book for us?" I told them no; I only wrote picture books. But they persisted. How hard could it be? We'll even tell you what to write: We want a love story with teenagers at the beach. And there you go. Summer Promise, first released seventeen years ago, is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise. I love that. Robin Jones Gunn
