**The Last Afrikaner Leaders** Hermann Giliomee,2013-11-15 Finalist for the Alan Paton Award In his latest book renowned historian Hermann Giliomee challenges the conventional wisdom on the downfall of white rule and the end of apartheid Instead of impersonal forces or the resourcefulness of an indomitable resistance movement he emphasizes the role of Nationalist leaders and of their outspoken critic Frederick van Zyl Slabbert What motivated each of the last Afrikaner leaders from Verwoerd to de Klerk How did each try to reconcile economic growth white privilege and security with the demands of an increasingly assertive black leadership and unexpected population figures In exploring each leader s background reasoning and personal foibles Giliomee takes issue with the assumption that South Africa was inexorably heading for an ANC victory in 1994 He argues that historical accidents radically affected the course of politics Drawing on primary sources and personal interviews Giliomee offers a fresh and stimulating political history that attempts not to condemn but to understand why the last Afrikaner leaders did what they did and why their own policies ultimately failed them A 2014 CHOICE Outstanding Academic Title Reconsiderations in Southern African History      *House of Bondage* ,2019-03 First published in the United States in 1967 and in Britain in 1968 House of Bondage presented images from South Africa that shocked the world The young African photographer had left his country at 26 to find an audience for his stunning exposure of the system of racial dominance known as apartheid In 185 photographs Cole s book showed from the vantage point of the oppressed how the system closely regulated and controlled the lives of the black majority He saw every aspect of this oppression with a searching eye and a passionate heart House of Bondage is a milestone in the history of documentary photography even though it was immediately banned in South Africa In a Chicago Tribune review of 1967 Robert Cromie described it as one of the frankest books ever done on South Africa with photographs by a native of that country who would be most unwise to attempt to return for some years Cole died in exile in 1990 as the regime was collapsing never knowing when his portrait of his homeland would finally find its way home Not until the Apartheid Museum in Johannesburg mounted enlarged pages of the book on its walls in 2001 were his people able to view these pictures which are as powerful and provocative today as they were 50 years ago      **Ants of Southern Africa** Peter Slingsby,2017      **To Hell with Cronjé** Ingrid Winterbach,2010 Two scientists Reitz Steyn and Ben Maritz find themselves in a transit camp for those temporarily and permanently unfit for battle during the Boer War Captured on suspicion of desertion and treason during a trek across an

unchanging desert of bushes rocks and ant hills to help transport a fellow soldier who has suffered debilitating shell shock to his mother they are forced to await the judgment of a General Bergh unsure whether they are to be conscripted into Bergh's commando allowed to continue their mission or executed for treason As the weeks pass and the men's despair at ever returning to their families reaches its peak they are sent on a bizarre mission A South African Heart of Darkness Ingrid Winterbach's *To Hell with CronjT* is a poetic exploration of friendship and camaraderie an eerie reflection on the futility of war and a thought provoking re-examination of the founding moments of the South African nation *Ancestral Voices* Etienne van Heerden, 2012-09-27 In the wild night hours or during the heat of the day whenever man's thoughts whirl feverishly then truth and fantasy the past and the future life and death are indiscriminately mingled on Toorberg home of the Moolman family So the magistrate is to learn as he investigates the strange circumstances of the death of little Noah child of grief who was not entirely of this world Every day the case becomes more complex until it challenges the very foundations of the law It seems as if the magistrate will have to judge an entire dynasty both the living and the dead Everyone's guilt has to be affirmed or denied and this means he will have to rip open the lives of all The Moolmans are a tribe who have long since learned how to deal with their own Parents cut children out of their lives shunt them aside to live as stepchildren scrag ends of the clan or as city dwellers whose names are never uttered The Moolmans cannot forgive not when their tribal blood is betrayed *Magersfontein, O Magersfontein!* Etienne Leroux, 1983 *Trekking On* Deneys Reitz, 2017-07-11 A narrative of the author's life in exile following the Boer War his work upon his return to South Africa and his part in the European war first in South Africa and later in Europe Breathlessly exciting *The Times Literary Supplement* ... *No Outspan* Deneys Reitz, 1943 Narrative of author's life 1918-1940 S J Du Toit Vegter Vir Sy Taal P D.
