Hesitating Beauty Joshua Lutz,2012 Breaking down the structure of the photograph as truth and the book as narrative Joshua Lutz s second monograph HESITATING BEAUTY it is an intimate portrait unlike other photographic models Rethinking how photographs and text can function Lutz blends family archives interviews and letters with his own photographic practice seamlessly into a precious fictitious experience of a life and family consumed by mental illness Instead of showing us what it looks like HESITATING BEAUTY is able to play with our own conceptions of reality to show us what it feels like Joshua Lutz Holding on so tightly to what I believed was sanity and being consumed by fear of depression and schizophrenia prevented me from being fully present to my mother s reality The past few years as she slipped away from the aggressive paranoia and depression of my youth to an almost calming sense of delusion made it much easier for me to rid the anger that veiled my life and attempt to find a place of empathy and compassion as I managed her care In making this work and simultaneously falling deeper into her psychosis I tried to imagine a time when the past present and future collided a place where the weight of memory is heavier than reality

charismatic young woman who walked away from a career as a model to take over the family farm at the age of 23 I want to tell women they can do anything and to show that sheep farming isn't just a man's game Divided into four seasons Heida tells the story of a remarkable year when Heida reluctantly went into politics to fight plans to raise a hydro electric power station on her land This book paints a unforgettable portrait of a remote life close to nature Translated into six languages Heida has won two non fiction prizes and has become an international bestseller We humans are mortal the land outlives us new people come new sheep new birds and so on but the land with its rivers and lakes and resources remains UTTERLY CHARMING MAIL ON SUNDAY REVELATORY AND INSPIRING HERALD

Jacobus Vrel Bernd Ebert, Cécile Tainturier, Quentin Buvelot, 2021 An investigation into the art of a mysterious Dutch painter who left no written records behind His paintings are curious his figures introverted and his street scenes strangely stage like Jacobus Vrel recorded everyday life in Holland during the seventeenth century and conjured his own idiosyncratic world at the same time This volume presents the fascinating complete oeuvre of a painter whose works were thought in the nineteenth century to have been painted by Vermeer Jacobus Vrel is like a phantom No written sources describing the artist or his work have ever been discovered His existence is documented only by some fifty surviving works which can hardly be compared with those of his contemporaries His works in their austerity and sometimes oppressive silence seem unexpectedly modern and have been compared to the paintings of Wilhelm Hammersh i With investigative flair and drawing on extensive technical examinations of the paintings this book explores the mysterious pictures of this recently rediscovered painter
