Assistance PA Program and the authorities authorizing the assistance that the Federal Emergency Management Agency provides under the PA Program. Why buy a book you can download for free? We print the paperback book so you don't have to. First, you gotta find a good, clean, legible copy and make sure it's the latest version, not always easy. Some documents found on the web are missing some pages or the image quality is so poor they are difficult to read. If you find a good copy, you could print it using a network printer you share with 100 other people; typically it's either out of paper or toner. If it's just a 10-page document, no problem, but if it's 250 pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com. This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these paperbacks as a service so you don't have to. The books are compact, tightly bound paperback, full size 8 1/2 by 11 inches with large text and glossy covers.
