Addicted Charlotte Featherstone,2012-07-01 Friends since childhood Anais Darnby and Lindsay Markham have long harboured a secret passion for one another When they finally confess their love their future together seems assured sealed with their searing embrace But when a debauched Lindsay is seduced by a scheming socialite a devastated Anais seeks refuge in another man s bed while Lindsay retreats to the exotic East There he is seduced again this time by the alluring red smoke and sinister beauty of opium Back home Lindsay s addiction is fed by the vogue for all things Oriental especially its sensual pleasures in fashionable London society In his lucid moments Lindsay still lusts after Anais who can neither allow him near nor forget his smouldering touch Tortured by two obsessions opium and Anais Lindsay must ultimately decide which is the one he truly cannot live without Sinful Charlotte Featherstone,2013 Cyberpunk & Cyberculture Dani Cavallaro,2000-04-01 Cyberpunk and Cyberculture explores the work of a wide range of writers Acker Cadigan Rucker Shierley Sterling Williams and of course Gibson setting their work in the context of science fiction other literary genres genre cinema from Metropolis to Terminator to The Matrix and contemporary work on the culture of technology Women, Monstrosity and Horror Film Erin Harrington,2017-08-10 Women occupy a privileged place in horror film Horror is a space of entertainment and excitement of terror and dread and one that relishes the complexities that arise when boundaries of taste of bodies of reason are blurred and dismantled It is also a site of expression and exploration that leverages the narrative and aesthetic horrors of the reproductive the maternal and the sexual to expose the underpinnings of the social political and philosophical othering of women This book offers an in depth analysis of women in horror films through an exploration of gynae horror films concerned with all aspects of female reproductive horror from reproductive and sexual organs to virginity pregnancy birth motherhood and finally to menopause Some of the themes explored include the intersection of horror monstrosity and sexual difference the relationships between normative female hetero sexuality and the twin figures of the chaste virgin and the voracious vagina dentata embodiment and subjectivity in horror films about pregnancy and abortion reproductive technologies monstrosity and mad science the discursive construction and interrogation of monstrous motherhood and the relationships between menopause menstruation hagsploitation and abject barren bodies in horror The book not only offers a feminist interrogation of gynae horror but also a counter reading of the gynae horrific that both accounts for and opens up new spaces of productive radical and subversive monstrosity within a mode of representation and expression that has often been accused of being misogynistic It therefore makes a unique contribution to the study of women in horror film specifically while also providing new insights in the broader area of popular culture gender and film philosophy **The Encyclopedia of Stanley Kubrick** Gene D. Don't Play in the Sun Marita Golden,2007-12-18 Don t play in the sun You re going to have to get a light skinned husband for the sake of your children as it is In these words from her mother novelist and memoirist Marita Golden learned as a girl that she was the wrong color Her mother had absorbed colorism without thinking about it But as Golden shows in this provocative book biases based on skin color persist and so do their long lasting repercussions Golden recalls deciding against a distinguished black university because she didn t want to worry about whether she was light enough to be homecoming queen A male friend bitterly remembers that he was teased about his girlfriend because she was too dark for him Even now when she attends a party full of accomplished black men and their wives Golden wonders why those wives are all nearly white From Halle Berry to Michael Jackson from Nigeria to Cuba from what she sees in the mirror to what she notices about the Grammys Golden exposes the many facets of colorism and their effect on American culture Part memoir part cultural history and part analysis Don t Play in the Sun also dramatizes one accomplished black woman s inner journey from self loathing to self acceptance and pride

My Father's Names Elmer L. Towns, 2014-07-10. You can tell a lot about a man by what others call him: father, husband, brother, leader. In the same way you can learn much about God by understanding what He was called in the Old Testament. El Shaddai, Elohim, Adonai, El Gibbor, and Jehovah Melek are just a few of the over 80 names that people in the Old Testament used to call upon God in different situations. In times of need or times of praise they used specific names for God that focused on a certain characteristic of His or on a promise that He made. Today as we learn God's names and what they mean we can begin to know Him more intimately. We discover what He wants for us, how He provides for our needs, and learn new deeper ways to approach Him in prayer. In *My Father's Names* you'll find out what the Old Testament names of God mean and how they can bring you closer to your Heavenly Father. Elmer L. Towns is vice president of Liberty University and dean of their School of Religion. He travels widely conducting conferences on Sunday School and church growth and is teacher of the 2,000 member Pastor's Sunday School class at Thomas Road Baptist Church in Lynchburg, Virginia. He is the author of more than 40 books including *Ten of Today's Most Innovative Churches*. **The Names of the Holy Spirit** Elmer L. Towns, 1994. God's Holy Spirit is very much a person. In fact He is known in the Bible by over 100 different names and descriptions. Each of these names reveals an essential truth about the wonderful Third Person of the Trinity. You'll come to know and draw closer to the Holy Spirit when you understand His ministry as it is described throughout God's Word. **Maybe the Moment** Ken Nordine, 2009-01-01.
