Sins Of The Fathers The Atlantic Slave Traders 1441 1807:

Sins of the Fathers James Pope-Hennessy,1968 **Sins of the Fathers** James Pope-Hennessy,2000 Based on the journals and letters of slave traders merchant seamen and sometimes the slaves themselves this is a passionate yet harrowing account of life in the African trading ports aboard the slave ships at the New World markets and on the West Indian plantations With a wealth of well chosen detail it revives and recreates the Atlantic slave trade from its origins in the 15th century to its gradual dissolution in the early 1800s **Sins of the Fathers** James Pope-Hennessy,1970 This is the powerful and shocking story of the Atlantic slave traders From 1441 to 1807 these traders their dealings and political affiliates organized one of the largest slave trades in history **The Rise of Merchant Empires** James D. Tracy,1990 This volume examines the rise of the many different trading empires from the end of the Middle Ages to the eighteenth century

Rice and Slaves Daniel C. Littlefield,2022-10-17 Daniel Littlefield s investigation of colonial South Carolinianss preference for some African ethnic groups over others as slaves reveals how the Africans diversity and capabilities inhibited the development of racial stereotypes and influenced their masters perceptions of slaves It also highlights how South Carolina perhaps more than anywhere else in North America exemplifies the common effort of Africans and Europeans in molding American civilization *Enslaved Women and the Art of Resistance in Antebellum America* R. Harrison,2009-09-28 Draws on mid seventeenth to nineteenth century slave narratives to describe oppression in the lives of enslaved African women Investigates pre colonial West and West Central African women s lives prior to European arrival to recover the cultural traditions and religious practices that helped enslaved women combat violence and oppression The Atlantic Slave Trade J. E. Inikori,Stanley L. Engerman,1992-04-30 For review see J R McNeill in HAHR 74 1 February 1994 p 136 137

The African Slave Trade and Its Suppression Peter Hogg,2014-02-04 A comprehensive bibliography dealing specifically with African slave trade This volume has been sub classified for easier consultation and the compiler has provided where possible descriptions and comments on the works listed *Arabian Seas* R. J. Barendse, *Black Lives in the English Archives, 1500-1677* Imtiaz Habib,2017-05-15 Containing an urgently needed archival database of historical evidence this volume includes both a consolidated presentation of the documentary records of black people in Tudor and Stuart England and an interpretive narrative that confirms and significantly extends the insights of current theoretical excursus on race in early modern England Here for the first time Imtiaz Habib collects the scattered references to black people whether from Africa India or America in sixteenth and seventeenth century England and arranges them into a systematic chronological descriptive index He offers an extended historical and theoretical interpretation of the records in six chapters which serve as an introductory guide to the index even as they articulate a specific argument about the meaning of the records Both the archival information and interpretive scholarship provide a strong framework from which future historical debates on race in early modern England can proceed *The Arabian Seas: The Indian Ocean World of the*

Seventeenth Century Rene J. Barendse, 2016-07-08 The Arabian Seas is a magisterial work on the world political economy trade war power that explores the intersect of the worlds of Islam including South and Southeast Asia the Middle East and East Africa and the European world economy particularly the seafaring Portuguese Dutch and British on the eve of the modern world system It is likely to become a classic in its field and one of the pillars of the emerging literature in recent years that has begun to recast our understanding of the early modern history of Asia and the world economy underlining the early and long predominance of Asia in the world economy and showing the long and deep ties between European and Asian economic and military interactions This work centrally addresses current debates on the nature of the early modern world system and the relative strengths of East and West There are no competitors for this book but it may be compared with Braudel's masterful studies of the Mediterranean in the sense that it does for the Arabian Seas Indian Ocean World spanning South Asia the Middle East and the East African Coast and beyond what Braudel did for the Mediterranean

Navigating World History P. Manning, 2003-05-15 World history has expanded dramatically in recent years primarily as a teaching field and increasingly as a research field Growing numbers of teachers and Ph.D.s in history are required to teach the subject They must be current on topics from human evolution to industrial development in Song dynasty China to today's disease patterns and then link these disparate topics into a coherent course Numerous textbooks in print and in preparation summarize the field of world history at an introductory level But good teaching also requires advanced training for teachers and access to a stream of new research from scholars trained as world historians In this book Patrick Manning provides the first comprehensive overview of the academic field of world history He reviews patterns of research and debate and proposes guidelines for study by teachers and by researchers in world history

Madness in Context: Historical, Poetic and Artistic Narratives Gonzalo Araoz, 2020-10-12

Seeds of Insurrection Manuel Barcia, 2008-12-15 On a late September day in 1837 shortly after sunset a group of six slaves marched into the small Cuban village of Gira de Melena beating African drums and singing loudly Alarmed villagers rushed into the streets with machetes sabers and spears ready to take action against the disobedient slaves Yet this makeshift parade never evolved into the violent rebellion the villagers expected Though the slaves who lived on Cuban coffee and sugar plantations sometimes defied their captors by orchestrating fierce uprisings and committing murder and suicide they also resisted in less overt ways by running away feigning sickness breaking tools and by maintaining their own cultures In *Seeds of Insurrection* Manuel Barcia examines many largely overlooked ways in which African and Creole slaves in Cuba defied domination in the first half of the nineteenth century Ethnic and geographic origins as well as slaves' personal experiences affected their resistance to bondage Dividing resistance into two broad types violent and nonviolent Barcia examines when and why the slaves chose certain forms Creole slaves grew up in Cuba for example so they learned both the language of their ancestors and Spanish and they came to understand their Spanish masters as few African born slaves ever could Consequently they cleverly used the few rights colonial laws offered them to their advantage

African born slaves by contrast carried with them their memories from home their religious beliefs jokes and songs and they dealt with enslavement by incorporating this cultural heritage into their everyday activities Barcia demonstrates the ways in which the slaves made use of the privacy of their huts and barracks and the lack of surveillance in the fields to voice their ideas and opinions through song religion gossip folktales and jokes within an acceptable degree of safety Relying primarily on transcripts of local and central court proceedings involving slaves free people of color slave owners and witnesses Barcia reveals the slaves view of their world He also explores the forms of domination practiced by colonial authorities plantation masters and overseers gleaning insight from innovative sources including medical reports and diaries of rancheadores as well as public and private correspondence newspapers and the contributions of contemporary scholars In *Seeds of Insurrection* Barcia expands the definition of resistance and adds an invaluable dimension to the understanding of slavery in the Americas

Blind Memory Marcus Wood,2000 A study of Atlantic slavery generated by the visual arts It considers in detail four sites which have generated particularly influential imagery the middle passage flight escape slave torture punishment and the popular imagery which evolved around Stowe s classic abolition text *Uncle Tom s Cabin*

Shackles From the Deep Michael H. Cottman,2017-01-03 A pile of lime encrusted shackles discovered on the seafloor in the remains of a ship called the *Henrietta Marie* lands Michael Cottman a Washington D C based journalist and avid scuba diver in the middle of an amazing journey that stretches across three continents from foundries and tombs in England to slave ports on the shores of West Africa to present day Caribbean plantations This is more than just the story of one ship it s the untold story of millions of people taken as captives to the New World Told from the author s perspective this book introduces young readers to the wonders of diving detective work and discovery while shedding light on the history of slavery
