[The Ultimate Sissy Boy Training Program](#) Mistress Dede,2016-05-23 The Ultimate Sissy Boy Training Program will be your ultimate guide to completely transforming yourself not only physically but also mentally into the beautiful sexy submissive sissy you have been yearning to become for so long I did not create this program as another book that you can spend the weekend browsing through Instead the Ultimate Sissy Boy Training Program is a hands on manual That is you are expected to go through the lessons and perform each assigned task to the best of your ability with the permanent goal in mind to become the very best sissy you can be Furthermore you should strive to complete all sections of the training in under 6 months time Why 6 months Because while some of you might actually be able to complete it sooner I understand that others still partake in non sissy affairs that might prevent you from taking on the training on a full time basis But if you wrap your head around the 6 month mark you will not postpone it indefinitely like it so often happens with many of the things we want to achieve in life So jot

down the date when you begin the training and strive to complete it in its entirety 6 months from that date To hold yourself accountable share this date with your Mistress Master or share it in our Facebook page www.facebook.com/MistressDede Some of you may be familiar with some of the material included in the course or may have already gone through some of the assignments in the past However never have these lessons been combined in a back to back format before so that they comprise a rigorous program which culminates in your complete male to female transformation This program will be your strongest training weapon and one you can go through and refer to over and over again when you feel you are losing your sissy touch or need to feel sexier prettier or more grounded in your sissiness At the end of this manual you will find a mandatory Sissy Test and whether you have taken this or another test in the past you must re take it at the end of your training as it will be an absolute accurate measure of your level of progress and success in this training program I will only consider scores of 50 or above as passing grades but are encouraged to retake the entire course if your score is below 90 Only scores of 90 or above are considered excellent and entitle you to print the diploma that is found at the end of this course You are encouraged to document your journey by writing about your experiences on my blog www.mistressdede.com I wish you all the best of luck With love Mistress Dede [The Making of a Sissy Maid](#) Femdom Fred,2018-10-08 This is the story of a man who yearned to be dominated by his beautiful wife and the wife who wanted so much to make her husband s fantasies all come true Within this exciting and erotic tale you will find domination cuckolding chastity enforced sissyfication corporal punishment and humiliation In chapter 1 Sissy Melissa s role is clearly defined and ground rules established for his sexual frustration and humiliation In chapter 2 Sissy Melissa is allowed to listen in as his wife cuckolds him but there are certain conditions and a high price to pay for the privilege In chapter 3 Sissy Melissa experiences real punishment over the knees of his beautiful sadistic wife who then allows him a limited and humiliating reward The story continues in the next book [The Making Of A Sissy Maid Pt2](#) by Femdom Fred [Xxx Rated Sissy Assignments](#) Mistress Dede,2015-02-21 Welcome to your X rated sissy training exercises These tasks are perfect for the self training sissy or a Mistress Master that would like to give their sissy boi s some extra training to whip them into shape Becoming a perfect little sissy boi is a difficult task that requires dedication perseverance and constant practice After finishing these X rated sissy assignments you will be broken and fully accepting of anything and everything your Mistress Master has you do to please them During the process of completing these tasks it is a good idea to keep both a progress report and progress photos Reading these progress reports will be a good way for your Mistress Master to figure out where you need to proceed next in your training You may find that some of these sissy assignments are more difficult than others but you must always push yourself to the absolute limits so that your sissy transformation can become a reality Remember that everything your Mistress Master has you do is to help you achieve your end goal of becoming who you truly are You are to follow their instructions to the letter without questioning their methods Completing these sissy training tasks may be at first difficult but they should also be fun in their own way for you [How To](#)
