Story Behind the Book My motivation for the Sisterchicks books came from being involved with so many women who get halfway through life and shipwreck their faith or their families in search of themselves I wanted to write a book that extols faithfulness and shines the light on God's plan for a woman's life which is always more gigantic and more mysterious than she ever first believed On the edge of my heart sits a constant prayer for the reader who lifts the covers of these books and snuggles in for a cozy read My prayer is that she will be filled with hope and will come closer than ever to the One who loves to sprinkle His wonders over our days
