COMPILED, EDITED, INTRODUCED, AND WITH A NEW PREFACE BY
ROBIN MORGAN

Sisterhood Is Global The International Womens Movement Anthology

L Darling-Hammond

Sisterhood Is Global The International Womens Movement Anthology:

Sisterhood is Global Robin Morgan, 1996 *Sisterhood Is Global* has been revered as the essential feminist text on the international women s movement since its first appearance when it was hailed as a historic publishing event The anthology features original essays Morgan commissioned from a deliberately eclectic mix of women both famous and less known grass roots activists politicians scholars querillas novelists social scientists and journalists representing seventy countries from every region and political system with particular emphasis on the Global South These truth telling impassioned essays celebrate the diversity as well as the similarity of women s experience they also reveal shared female rage vision and pragmatic strategies for worldwide feminist solidarity and political transformation The first such international collection *Sisterhood Is Global* became an instant classic and remains unequalled in its breadth and comprehensiveness The book covers Afghanistan to Zimbabwe and includes moving essays from such distinguished writers as Marjorie Agosin Chile Ama Ata Aidoo Ghana Shulamit Aloni Israel Peggy Antrobus Caribbean Simone de Beauvoir France Lidia Falcon Spain Hema Goonatilake Sri Lanka Fatima Mernessi Morocco Nawal El Saadawi Egypt Ana Titkow Poland Marilyn Waring New Zealand and Xiao Lu China

Sisterhood is Global Robin Morgan, 1984 *Sisterhood Is Global* has been revered as the essential feminist text on the international women s movement since its first appearance when it was hailed as a historic publishing event The anthology features original essays Morgan commissioned from a deliberately eclectic mix of women both famous and less known grass roots activists politicians scholars querillas novelists social scientists and journalists representing seventy countries from every region and political system with particular emphasis on the Global South These truth telling impassioned essays celebrate the diversity as well as the similarity of women s experience they also reveal shared female rage vision and pragmatic strategies for worldwide feminist solidarity and political transformation **Sisterhood is Global** Robin Morgan, 1984

Worlds of Women Leila J. Rupp, 1997-11-30 A ground breaking exploration of the first wave of the international women s movement from its late 19th century origins through the Second World War The histories of three major organizations shed new light on the international women s movement and help us to understand the second wave of international feminism that emerged from the ashes of World War II 10 photos **Sisterhood Is Forever** Robin

Morgan, 2007-11-01 Thirty years after Robin Morgan s groundbreaking anthology *Sisterhood Is Powerful* named by The American Librarians Association one of The 100 Most Influential Books of the Twentieth Century comes this landmark new collection for the twenty first century *Sisterhood Is Forever* with over 60 original essays Morgan commissioned from well known feminist leaders plus energetic Gen X and Y activists is a composite mural of the female experience in America where we ve been where we are where we re going The stunning scope of topics ranges from reproductive health and environmental issues to workplace inequities and the economics of women s unpaid labor from globalization to the politics of aging from cyberspace violence against women and electoral politics to spirituality the law the media and academia The

deliberately audacious mix of contributors spans different generations races ethnicities and sexual preferences CEOs housewives rock stars farmers scientists prostituted women politicians women in prison firefighters disability activists artists flight attendants an army general an astronaut an anchorwoman even a pair of teens who edit a girls magazine Each article celebrates the writer s personal voice her humor passion anger and the integrity of her perspective while offering the latest data on women s status political analysis new how to tools for activism and visionary yet practical strategies for the future strategies needed now more than ever Robin Morgan s own contributions are everything her readers expect prophetic powerfully argued unsentimentally lyrical From her introduction The book you hold in your hands is a tool for the future a future also in your hands Edna Acosta Bel n Carol J Adams Margot Adler Natalie Angier Ellen Appel Bronstein Mary Baird Brenda Berkman Christine E Bose Kathy Boudin Ellen Bravo Vednita Carter Wendy Chavkin Kimberl Crenshaw Gail Dines Paula DiPerna Helen Drusine Andrea Dworkin Eve Ensler Barbara Findlen Mary Foley Patricia Friend Theresa Funicello Carol Gilligan Sara K Gould Ana Grossman The Guerrilla Girls Beverly Guy Sheftall Kathleen Hanna Laura Hershey Anita Hill Florence Howe Donna M Hughes Karla Jay Mae C Jemison Carol Jenkins Claudia J Kennedy Alice Kessler Harris Clara Sue Kidwell Frances Kissling Sandy Lerner Suzanne Braun Levine Barbara Macdonald Catharine A MacKinnon Jane Roland Martin Debra Michals Robin Morgan Jessica Neuwirth Judy Norsigian Eleanor Holmes Norton Grace Paley Emma Peters Axtell Cynthia Rich Amy Richards Cecile Richards Carolyn Sachs Marianne Schnall Pat Schroeder Patricia Silverthorn Eleanor Smeal Roslyn D Smith Gloria Steinem Mary Thom Jasmine Victoria Faye Wattleton Marie Wilson Helen Zia

African Gender Studies Oyeronke Oyewumi, 2016-09-27 This is the first comprehensive reader that brings African experiences to bear on the ongoing global discussions of women gender and society Bringing together the essential writing on this topic from the last 25 years these essays discuss gender in Africa from a multi disciplinary perspective **From Motherhood to Citizenship** Nitza Berkovitch, 1999-04-29 It was not until the second half of the twentieth century that many countries began granting women the right to participate in public institutions as individuals Until then women were incorporated into various domains of life mainly through their relational roles as mothers In From Motherhood to Citizenship Nitza Berkovitch argues that this trend is not confined to specific countries but represents a worldwide phenomenon Moreover the forces that shape this transformation are embedded in the global cultural and political system Berkovitch offers the first detailed account of the critical role played by international organizations in the promotion of women s rights by individual nation states Demonstrating the importance of rhetoric in the framing of women s issues the book traces the formation of the global agenda on women From Motherhood to Citizenship begins in the 1870s when the earliest international campaigns fought the evils done to womankind and continues through the interwar era in which the first official world bodies the League of Nations and the International Labour Organization promoted and expanded the concept of women s protection It concludes with the recent United Nations Decade for Women which for the first time puts women s

rights on the world agenda *Sisterhood, Interrupted* Deborah Siegel, 2007-06-12 Contrary to clichés about the end of feminism Deborah Siegel argues that younger women are reliving the battles of its past and reinventing it with a vengeance From feminist blogging to the popularity of the WNBA girl culture is on the rise A lively and compelling look back at the framing of one of the most contentious social movements of our time *Sisterhood Interrupted* exposes the key issues still at stake outlining how a twenty first century feminist can reconcile the personal with the political and combat long standing inequalities that continue today *Joyous Greetings* Bonnie S. Anderson, 2000-03-16 Over one hundred fifty years ago champions of women's rights in the United States Britain France and Germany formed the world's earliest international feminist movement *Joyous Greetings* is the first book to tell their story From Seneca Falls in upstate New York to the barricades of revolutionary Paris from the Crystal Palace in London to small towns in the German Rhineland early feminists united to fight for the cause of women At the height of the Victorian period they insisted their sex deserved full political equality called for a new kind of marriage based on companionship claimed the right to divorce and to get custody of their children and argued that an unjust economic system forced women into poorly paid jobs They rejected the traditional view that women's subordination was preordained natural and universal In restoring these daring activists achievements to history *Joyous Greetings* passes on their inspiring and empowering message to today's new generation of feminists

Sexual Politics Kate Millett, 2016-02-16 A sensation upon its publication in 1970 *Sexual Politics* documents the subjugation of women in great literature and art Kate Millett's analysis targets four revered authors D H Lawrence Henry Miller Norman Mailer and Jean Genet and builds a damning profile of literature's patriarchal myths and their extension into psychology philosophy and politics Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life This new edition features the scholar Catharine A MacKinnon and the New Yorker correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism **Feminism Without Borders** Chandra Talpade Mohanty, 2003-02-28 Essays by

a pioneering theorist of feminism multiculturalism and antiracism **Brothers and Sisters** Craig LaRon Torbenson, Gregory Parks, 2009 The 1950s are arguably the watershed era in the civil rights movement with the landmark Supreme Court decision of *Brown v Board of Education* in 1954 the Montgomery Bus Boycott in 1955 and the desegregation of Little Rock Arkansas High School in 1957 It was during this period 1955 to be exact that sociologist Alfred M Lee published his seminal work *Fraternities without Brotherhood A Study of Prejudice on the American Campus* Lee's book was the first and last book to explore diversity within college fraternal groups More than fifty years later Craig L Torbenson and Gregory S Parks revisit this issue more broadly in their edited volume *Brothers and Sisters Diversity in College Fraternities and Sororities* This volume draws from a variety of disciplines in an attempt to provide a holistic analysis of diversity within collegiate fraternal life It also brings a wide range of scholarly approaches to the inquiry of diversity within college

fraternities and sororities It explores not only from whence these groups have come but where they are currently situated and what issues arise as they progress

The Unfinished Revolution Minky Worden, 2012-03-06 It is a time of change in the world with dictators toppling and new opportunities rising but any revolution that doesn't create equality for women will be incomplete The time has come to realize the full potential of half the world's population Christiane Amanpour from the foreword The Unfinished Revolution tells the story of the global struggle to secure basic rights for women and girls including in the Middle East where the Arab Spring raised high hopes but the political revolutions are so far insufficient to guarantee progress Around the world women and girls are trafficked into forced labor and sex slavery trapped in conflict zones where rape is a weapon of war prevented from attending school and kept from making deeply personal choices in their private lives such as whom and when to marry In many countries women are second class citizens by law In others religion and traditions block freedoms such as the right to work study or access health care Even in the United States women who are victims of sexual violence often do not see their attackers brought to justice More than 30 writers Nobel Prize laureates leading activists top policymakers and former victims have contributed to this anthology Drawing from their rich personal experiences they tackle some of the toughest questions and offer bold new approaches to problems affecting hundreds of millions of women This volume is indispensable reading providing thoughtful analysis from a never before assembled group of advocates It shows that the fight for women's equality is far from over As Leymah Gbowee 2011 Nobel Peace Prize Laureate says Women are not free anywhere in this world until all women in the world are free

Spare Rib Reader Marsha Rowe, 1982

Companion to Feminist Studies Nancy A. Naples, 2021-03-08 A comprehensive overview of feminist scholarship edited by an internationally recognized and leading figure in the field Companion to Feminist Studies provides a broad overview of the rich history and the multitude of approaches theories concepts and debates central to this dynamic interdisciplinary field Comprehensive yet accessible this edited volume offers expert insights from contributors of diverse academic national and activist backgrounds discussing contemporary research and themes while offering international postcolonial and intersectional perspectives on social political cultural and economic institutions social media social justice movements everyday discourse and more Organized around three different dimensions of Feminist Studies the Companion begins by exploring ten theoretical frameworks including feminist epistemologies examining Marxist and Socialist Feminism the activism of radical feminists the contributions of Black feminist thought and interrelated approaches to the fluidity of gender and sexuality The second section focuses on methodologies and analytical frameworks developed by feminist scholars including empiricists economists ethnographers cultural analysts and historiographers The volume concludes with detailed discussion of the many ways in which pedagogy political ecology social justice globalization and other areas within Feminist Studies are shaped by feminism in practice A major contribution to scholarship on both the theoretical foundations and contemporary debates in the field this volume Provides an international and interdisciplinary

range of the essays of high relevance to scholars students and practitioners alike Examines various historical and modern approaches to the analysis of gender and sexual differences Addresses timely issues such as the difference between radical and cultural feminism the lack of women working as scientists in academia and other research positions and how activism continues to reformulate feminist approaches Draws insight from the positionality of postcolonial comparative and transnational feminists Explores how gender class and race intersect to shape women s experiences and inform their perspectives Companion to Feminist Studies is an essential resource for students and faculty in Women s Gender and Sexuality Studies Feminist Studies programs and related disciplines including anthropology psychology history political science and sociology and for researchers scholars practitioners policymakers activists and advocates working on issues related to gender sexuality and social justice

The Feminist Revolution Bonnie J. Morris,D-M Withers,2018-03-06 Explores the global history and contributions of the feminist revolution The Feminist Revolution offers an overview of women s struggle for equal rights in the late twentieth century Beginning with the auspicious founding of the National Organization for Women in 1966 at a time when women across the world were mobilizing individually and collectively in the fight to assert their independence and establish their rights in society the book traces a path through political campaigns protests the formation of women s publishing houses and groundbreaking magazines and other events that shaped women s history It examines women s determination to free themselves from definition by male culture wanting not only to take back the night but also to reclaim their bodies their minds and their cultural identity It demonstrates as well that the feminist revolution was enacted by women from all backgrounds of every color and of all ages and that it took place in the home in workplaces and on the streets of every major town and city This sweeping overview of the key decades in the feminist revolution also brings together for the first time many of these women s own unpublished stories which together offer tribute to the daring humor and creative spirit of its participants

U.S. Women's History Leslie Brown,Jacqueline Castledine,Anne Valk,2017-01-25 In the 1970s feminist slogans proclaimed Sisterhood is powerful and women s historians searched through the historical archives to recover stories of solidarity and sisterhood However as feminist scholars have started taking a more intersectional approach acknowledging that no woman is simply defined by her gender and that affiliations like race class and sexual identity are often equally powerful women s historians have begun to offer more varied and nuanced narratives The ten original essays in U S Women s History represent a cross section of current research in the field Including work from both emerging and established scholars this collection employs innovative approaches to study both the causes that have united American women and the conflicts that have divided them Some essays uncover little known aspects of women s history while others offer a fresh take on familiar events and figures from Rosa Parks to Take Back the Night marches Spanning the antebellum era to the present day these essays vividly convey the long histories and ongoing relevance of topics ranging from women s immigration to incarceration from acts of cross dressing to the activism of feminist mothers This

volume thus not only untangles the threads of the sisterhood mythos it weaves them into a multi textured and multi hued tapestry that reflects the breadth and diversity of U S women s history 1968 in Europe M. Klimke,J. Scharloth,2008-04-14 A concise reference for researchers on the protest movements of the 1960s and 1970s this book covers the history of the various national protest movements the transnational aspects of these movements and the common narratives and cultures of memory surrounding them **The Crunk Feminist Collection** Brittney C. Cooper,Susana M. Morris,Robin M. Boylorn,2016-12-19 Essays on hip hop feminism featuring relevant real conversations about how race and gender politics intersect with pop culture and current events For the Crunk Feminist Collective their academic day jobs were lacking in conversations they actually wanted To address this void they started a blog that turned into a widespread movement The Collective s writings foster dialogue about activist methods intersectionality and sisterhood And the writers personal identities as black women as sisters daughters and lovers and as television watchers sports fans and music lovers are never far from the discussion at hand These essays explore Sex and Power in the Black Church discuss how Clair Huxtable is Dead list Five Ways Talib Kweli Can Become a Better Ally to Women in Hip Hop and dwell on Dating with a Doctorate She Got a Big Ego Self described as critical homegirls the authors tackle life stuck between loving hip hop and ratchet culture while hating patriarchy misogyny and sexism Refreshing and timely Bitch Magazine Our favorite sister bloggers Elle By centering a Black Feminist lens The Collection provides readers with a more nuanced perspective on everything from gender to race to sexuality to class to movement building packaged neatly in easy to read pieces that take on weighty and thorny ideas willingly and enthusiastically in pursuit of a more just world Autostraddle Much like a good mix tape the book has an intro outro and different layers of based sound in the activist scholar feminist women of color media representation sisterhood trans queer and questioning landscape Lambda Literary Review *Betraying Big Brother* Leta Hong Fincher,2018-09-25 On the eve of International Women s Day in 2015 the Chinese government arrested five feminist activists and jailed them for 37 days The Feminist Five became a global cause clbre with Hillary Clinton speaking out on their behalf and activists inundating social media with FreetheFive messages But the Feminist Five are only symbols of a much larger feminist movement of civil rights lawyers labor activists performance artists and online warriors that is prompting an unprecedented awakening among China s urban educated women In *Betraying Big Brother* journalist and scholar Leta Hong Fincher argues that the popular broad based movement poses the greatest threat to China s authoritarian regime today Through interviews with the Feminist Five and other leading Chinese activists Hong Fincher illuminates both the challenges they face and their joy of betraying Big Brother Tracing the rise of a new feminist consciousness through online campaigns resembling MeToo and describing how the Communist regime has suppressed the history of its own feminist struggles *Betraying Big Brother* is a story of how the movement against patriarchy could reconfigure China and the world
