Swedenborg's spiritual writings It is written from a sinner's perspective as a personal memoir meant to impart spiritual guidance by example It is a hands on self help book on how to birth the Divine Feminine Essence of Love from within The author traces the Divine back to its original source as Essential Love and Essential Innocence which begins in the body as a sensual feeling of love and through the process of regeneration it becomes the Word of God Then by sharing the spiritual feeling of the Word as love it becomes a blissful union with the Divine within as the feeling of the New Church The New Church is the perception of an influx of spiritual love flowing from within as happiness For when the feeling of love from a sensual life has been transformed into the spiritual feeling of love and when done on a mass scale it ultimately manifests as the Brotherhood of Mankind as the feeling of Heaven on Earth **Third Degree** Mira Bailee,Nova Raines,2015-02-24 USA
