was my imagination that shielded me from the slights of others that enabled my survival and academic success It took everything I had to get myself into college and out to Pittsburgh but more was in store before I could finally begin to break from my past Boy The Window is a coming of age story about the universal search for understanding on how any one of us becomes the person they are despite or because of the odds It s a memoir intertwined with my own search for redemption trust love success for a life worth living Boy The Window is about one of the most important lessons of all what it takes to overcome inhumanity in order to become whole and human again
