

## About Sasha Twyst

Who am I? Just a writer on the internet trying to leave your collection more interesting than when you found me.

What do I write? Erotica, including superhero stories, BBW, pirate and BDSM. I have done some one-offs on things that caught my imagination and will hopefully catch yours too, including psychological dominance, transgender, and people with extra body parts.

I started writing erotica as an enjoyable exercise. When I decided to turn pro, I kept writing things that I would want to read. I hope you enjoy these stories as much as I have.

Currently, I live in Virginia. I bake, play guitar, practice tying knots, and keep up with my partner, two cats and two very active dogs.

### **Approaching Monumentality in Archaeology**

James F. Osborne,2014-10-24 Interdisciplinary study of monumental art and architecture in human history Monumentality is a human phenomenon that has occurred in nearly all times and places Because of its ubiquity monumentality is something that has been studied by a large number of disciplines and individuals Approaching Monumentality in Archaeology explores the phenomenon of monumental art and architecture from humankind s most ancient past to recent history and does so using an interdisciplinary approach that incorporates the research of anthropological archaeologists art historians classicists and sociologists working in a wide variety of historical and cultural contexts The volume seeks to define what is meant by the terms monument and monumentality and to understand the social and political significance of monument building as it has manifested around the world By advocating for a relational approach to the topic that seeks to find monumentality in the ongoing relationship between object and person this book offers the opportunity to begin the process of uniting these varied interests into a unified discourse
