**Hunters and Bureaucrats** Paul Nadasdy, 2003 Winner of the Julian Steward Award Based on three years of ethnographic research in the Yukon this book examines contemporary efforts to restructure the relationship between aboriginal peoples and the state in Canada Although it is widely held that land claims and co management two of the most visible and celebrated elements of this restructuring will help reverse centuries of inequity this book challenges this conventional wisdom arguing that land claims and co management may be less empowering for First Nation peoples than is often supposed The book examines the complex relationship between the people of Kluane First Nation the land and animals and the state It shows that Kluane human animal relations are at least partially incompatible with Euro Canadian notions of property and knowledge Yet these concepts form the conceptual basis for land claims and co management respectively As a result these processes necessarily end up taking for granted and so helping to reproduce existing power relations First Nation peoples participation in land claim negotiations and co management have forced them at least in some contexts to adopt Euro Canadian perspectives toward the land and animals They have been forced to develop bureaucratic infrastructures for interfacing with the state and they have had to become bureaucrats themselves learning to speak and act in uncharacteristic ways Thus land claims and co management have helped undermine the very way of life they are supposed to be protecting This book speaks to critical issues in contemporary anthropology First Nations law and resource management It moves beyond conventional models of colonialism in which the state is treated as a monolithic entity and instead explores how state power is reproduced through everyday bureaucratic practices including struggles over the production and use of knowledge The book will be of interest to anthropologists and others studying the nature of aboriginal state relations in Canada and elsewhere as well as those interested in developing an ethnography of the state     **The Legal Files** John Draneas, 2021-02-15 Among the many contributors to Sports Car Market over the years few have amassed the devoted and loyal following that John Draneas has with his monthly column Legal Files Thanks to a sharp mind that can reduce the most complex legal issues to their most salient points Draneas never fails to educate and entertain with his thoughtful prose With his unique insights and perspectives on the hobby The Best of Legal Files is an indispensable resource for collectors and enthusiasts to learn from the mistakes made by others     **Stranger in Two Worlds** Jean Harris, 1993-02-15 In her stunning New York Times bestseller Jean Harris details her journey from headmistress to prison inmate On March 10 1980 her life changed dramatically when the bullets intended for her struck down her longtime lover the Scarsdale Diet doctor Herman Tarnower Now in her own words Jean Harris tells the true and unforgettable story of her tragedy and personal triumph     '72 *Owner's Manual* Bombardier Limited, 1971     **Ski-Doo Snowmobile 90-95** Penton Staff, 2000-05-24 *Ski Doo Formula 1990 1995*     **Ski-Doo '70** Bombardier Limited, 1969     **Snowmobile Service Manual** Intertec Publishing Corporation.
