Workbook for Skin in the Game Neely Steinberg, 2014-03-24 This is a workbook for *Skin In the Game Unleashing Your Inner Entrepreneur to Find Love*. The workbook was created to be used in conjunction with the book. Because the book has a variety of assignments, action steps, and journaling exercises at the end of each chapter, the workbook was created to be a central place in which readers can organize and complete all of the work the book encourages them to do. The workbook can, however, be purchased on its own because it summarizes the major points written about in the book. [Skin in the Game](#) Neely Steinberg, 2014-01-17 Moving your dating and love life forward is a lot like building and shaping an entrepreneurial venture. Neely Steinberg, dating coach and founder of The Love TREP, shows single women how to become entrepreneurs in their dating lives by harnessing the entrepreneurial mindset and approach. Her goal is to empower women to build and shape their love stories. A fresh, innovative self-help guide for single women who want to find love in an ambiguous and uncertain modern dating world. **CEO Society** Peter Bloom, Carl Rhodes, 2018-04-15 Chief Executive Officers (CEOs) have become the cultural icons of the 21st century. Figures like Steve Jobs and Mark Zuckerberg are held up as role models who epitomize the modern pursuit of innovation, wealth, and success. We now live in a CEO society, a society where corporate leadership has become the model for transforming not just business but all spheres of life, where everyone from politicians to jobseekers to even those seeking love are expected to imitate the qualities of the lionized corporate executive. But why, in the wake of the failings exposed by the 2008 financial crisis, does the corporate ideal continue to exert such a grip on popular attitudes? In this insightful new book, Bloom and Rhodes examine the rise of the CEO society and how it has started to transform governments, culture, and the economy. This influence, they argue, holds troubling implications for the future of democracy as evidenced by the disturbing political rise of Donald Trump in the US and for our society as a whole. **CEO** ABC CEO 21 CEO CEO CEO CEO CEO 2020-08-07 **Don't Let the Fear Win** Greg Faxon, 2016-08-18 Are you working hard to increase your income but keep getting stuck at the same plateau in revenue?
